SUBJECT: Dallas Trip, 21 August

1. Proposed schedule of events for Dallas trip:

0715 Depart Andrews AFB  
 0930 Arrive NAS Dallas  
 \*\* 1015 DCI arrive VFW Convention  
 1030 Award presented to DCI  
 1200 Luncheon address to Dallas Chamber of Commerce,  
 Navy League, Army & Air Force associates  
 (T) 1330 Press Conference  
~~1400 Depart Dallas, ENR Andrews AFB~~  
~~1800 Arrive Andrews AFB~~

\*\* Herb advises that although the VFW Convention Monday morning session begins at 0900, the CIA award will not be presented until 1030 and there is no need for you to arrive until shortly before.

2. I asked the Air Force about the possibility of stopping in Charlottesville to pick you up. They said it was possible; however, the short runway causes problems. If the runway is "wet," they would not be able to land--breaking distance restrictions. Additionally, they will have to take off with less than a full load of fuel, necessitating a fuel stop in Knoxville, Tennessee. Recommend departing from Andrews which would require your returning to Washington on Sunday evening.

P.S. Charlie has to close on his new house 21 Aug,  
 UNODIR I will make this my last trip. Will  
 Mr T be going? — Yes — No.
